

II International Conference

„METEOROLOGY, HYDROLOGY, ENVIRONMENT PROTECTION, WATER
MANAGEMENT, NAVIGATION – research and problems”

Wrocław, September 2021

2nd Announcement

CHANGE IN DATE OF THE CONFERENCE

Ladies and Gentlemen,

Because of epidemiological state caused by spreading COVID19, II International Conference ‘METEOROLOGY, HYDROLOGY, ENVIRONMENT PROTECTION, WATER MANAGEMENT, NAVIGATION – research and problems’ cannot be organized in the previously assumed days due to safety reasons. Therefore, we inform about the need of change in the date of this scientific event.

Simultaneously, we would like to ensure that your current applications for your participation in the conference are still valid. It is also possible to submit another conference presentations. Next decisions will be sent in another announcement.

In case of any questions and doubts, we remain at your disposal and please to contact the secretary office of the conference.

With Best Regards
the Head of the Organization Committee
Assoc. Prof. dr Alfred Dubicki
